

**AMANTE AT VERDE SANTA FE**

**Notice of Parking Violation**

**Property owners and occupants are required to park in their garage or driveway.**

Parking on the streets of Amante creates challenges for our community. The streets were not designed to accommodate on street parking and therefore present difficulty for safety vehicles as well as commercial vehicles of large sizes when navigating our streets.

**On street parking is always discouraged.**

If a 'guest' vehicle must be parked on the street for more than 24 hours, the property occupant must **FIRST** obtain a parking permit from the clubhouse. (928-639-3535)

The parking pass will not exceed a period of four days.

This serves as a notice and reminder **that parking in the streets by residents is not allowed** and that vehicles of guests, agents, and the invitees of the resident, must have a guest permit if parking on street for more than 24 hours

If your vehicle is parked in the street without a parking pass on the next inspection, **a tow tag will be placed on the windshield indicating that the vehicle may be subject to towing within 48 hours.** All costs associated with towing and storage is the responsibility of the vehicles owner. The Amante Community Association is not responsible for any damages that may occur in the event the vehicle is towed.
